

GUIDELINES TO WRITE THE ANNEX RELATED TO INTELLECTUAL PROPERTY (REF. JACOBACCI & PARTNERS PRIZE)

1. BRIEF DESCRIPTION OF THE TECHNICAL SOLUTION

2. TECHNOLOGY LANDSCAPE

Describe the technology landscape you are aware of and how you became aware of it. In particular:

- Has any Technology Landscape research been carried out?
- Has any prior art research been carried out?
- Has any Freedom to Operate research been carried out?

If yes, please specify in each case whether the search was conducted by professionals or "in-house". Explain any considerations that resulted from the research.

3. PROTECTION OF THE TECHNOLOGY SOLUTION

Has the solution been protected by one or more patent applications?

- a) If yes, what is the current status of the patent application(s)?
- b) Have you developed a patent development plan?
- c) What is the goal of patent protection?
- d) If not, why have you decided not to proceed (or not yet) with patent application(s)?

4. MARKET

Which are the target markets for the solution and why?

5. INTELLECTUAL PROPERTY PROTECTION INSTRUMENTS - Indicate any other forms of protection that have been used or that you intend to use.

NB. Attach a copy of the patent application(s) and search report(s), if any. The industrial property consultants of Jacobacci & Partners are legally bound to professional secrecy in accordance with article 206 of the Industrial Property Code, and in any case are committed to maintaining the confidentiality of data, news and information relating to the activities carried out in fulfilment of the "COLLABORATION AGREEMENT IN FAVOUR OF THE START CUP PIEMONTE VALLE D'AOSTA 2021 INITIATIVE". The obligation extends to all material originating or prepared in execution of the Agreement, with the exception of data, news, information and documents that are or will be of the public domain.
